

Parallel Webbed (Figure 8) Flex (FFR)

250/250V PVC insulated

Applications

Lighting, Appliance and Control

Product Specifications

Construction:

Conductor: Class 5 stranded copper to AS1125

Insulation: Coloured V75 PVC to AS/NZS 3808

Parallel Webbed (figure 8).construction

Relevant Standard: AS/NZS 3191:2008

Available Colours: Black & White
